Black Tangled Heart

Silverchair

Maybe your luck has changed
Settle down
Maybe I'm just deranged
And on the reboundMaybe love was the thing
Holding me back from all
Maybe I'm just the thing
To break my own fallTake the rope to my heart and fall
You may just be the last before you
See the black tangled heart fallMaybe departure's good
Makes room for more
Start to mass produce
For a chance to ignoreMaybe you'll kill yourself
Before I get a turn
Maybe I'll fall in love
And never learnTake the rope to my heart and fall
You may just be the last before you
See the black tangled heart fallTake the rope to my heart and fall
You may just be the last before you
See the black tangled heart fall
