

Let Me Out

Disaster in the Universe

Lost on my watch
And I won't hear about rest
Can't find space in control
I want to get where it's gone
Oh, locked completely
I get nothing done
The early mornings
To wake me up
So let me out
Homes slide on to Mars
And get their words from the gods
I'm on safari to stay
'Cause I can't part from the ground
Oh, locked completely
Don't speak so loud
The early mornings
To wake me up
So let me out
