

The Reason

Carole King

I figured it out
I was high and low and everything in between
I was wicked and wild and baby, you know what I mean
Till there was you, yeah, you Something went wrong
I made a deal with the Devil for an empty I.O.U.
Been to Hell and back, but an Angel was looking through
It was you, yeah, you, it's all because of you You are the reason
You are the reason I wake up every day
And sleep through the night
You are the reason, the reason In the middle of the night
I'm going down
Cause I adore you
I want to floor you I'm giving it up
No more running around spinning my wheel
You came out of my dream and made it real
I know what I feel, it's you, it's all because of you You are the reason
You are the reason I wake up every day
And sleep through the night
You are the reason, the reason In the middle of the night
I'm going down
Cause I want you
I want to touch you
I want to floor you, you are the reason, baby You are the reason
You are the reason I wake up every day
And sleep through the night
You are the reason, the reason
