To Be Loved

Michael Buble

Someone to care, Someone to share
Those lonely hours and moments of despair
To be loved, To be loved
Oh, What a feeling to be loved, yeah
Someone to kiss, Someone to miss
When you're away, To hear from each day
To be loved, To be loved
Woah, What a feeling to be loved, Woah
Some wish to be a King or a Queen
Some wish for fortune and fame
But to be truly, truly, truly loved
Well that's more than any one of those things

Woah, Someone to kiss, Someone to miss
When you're away, To hear from each day
To be loved, To be loved
Woah, What a feeling to be loved
Oh, but to feel truly loved baby
Is more than one of these things
Someone to miss, Oh someone to kiss
When you're away, To hear from each day
To be loved, To be loved
Oh, What a feeling to be loved
To be loved, To be loved, To be loved
Oh, What a feeling to be loved
