Love Me Harder (Ariana Grande and The Weeknd)

Ariana Grande

Tell me something, I need to know

Then take my breath and never let it go

If you just let me invade your space

I'll take the pleasure, take away the painAnd if in the moment I bite my lip

Baby, in that moment, you'll know this

Is something bigger than us and beyond bliss

Give me a reason to believe it'Cause if you want to keep me, you gotta g

And if you really need me, you gotta gotta gotta gotta gotta gotta gotta got to love me harder

(Gotta love me harder)

Love me, love me, love me

Harder, harderI know your motives and you know mine

The ones that love me, I tend to leave behind

If you know about me and choose to stay

Then take this pleasure and take away the painAnd if in the moment you bite your lip

When I get you moaning you know it's real

Can you feel the pressure between your hips?

I'll make it feel like the first time'Cause if you want to keep me, you gotta gotta gotta gotta gotta got to love me

harder

(Imma love you harder)

And if you really need me, you gotta gotta gotta gotta gotta got to love me harder

(Love me harder)

Love me, love me, love me

Harder, harder, harder

Love me, love me, love me

Harder, harder, harderSo what do I do if I can't figure it out?

You got to try, try, try again

So what do I do if I can't figure it out?

I'm gonna leave, leave, again'Cause if you want to keep me, you gotta gotta gotta gotta gotta gotta got to love me

harder

(I'll love you, love you, love you)

And if you really need me, you gotta gotta gotta gotta gotta gotta gotta got to love me harder

(Love me, love me, baby)

'Cause if you want to keep me, you gotta gotta gotta gotta gotta got to love me harder

(Love me harder)

And if you really need me, you gotta gotta gotta gotta gotta gotta gotta got to love me harder

(Imma love you harder)

Love me, love me, love me

Harder, harder, harder

(Love me, love me, baby)
Love me, love me, love me
(Just a little bit, just a little bit harder, babe)
Harder, harder
