

# I'm Still Bleeding

## 40 Below Summer

Where is the reason? Where is the hope?  
When all your life you're left hangin' from a rope  
Can I be saved? Can I be cut loose?  
Arms tied to my side swingin' from this noose  
Now it's getting heavy  
Now it's suffocating  
Cauterize my wounds  
But I'm still bleeding  
I'm still bleeding  
I'm still bleeding  
I'm still bleeding  
I'm still bleeding  
I'm still bleeding  
And I pulled you closer for a sense of relief  
I've been crucified for all my beliefs  
As I take this shotgun and put it in my mouth  
Set it to righten my sorrows and blast all the pain out  
Now it pulls me under  
Now the pain it breeds  
To stitch me closed  
  
But I still bleed  
I'm still bleeding  
I'm still bleeding  
Open your eyes, lead me inside  
And fall on a landslide, inside my hindsight  
And fall on a landslide, inside my hindsight  
I'm still bleeding  
Won't you stitch me closed? Don't ya know  
I'm still bleeding from this open hole?  
I'm still bleeding from this open hole  
I'm still bleeding, I'm still bleeding  
I'm still bleeding, I'm still bleeding  
I'm still bleeding, I'm still bleeding  
I'm still bleeding, I'm still bleeding  
Stitch me closed 'cause don't ya know  
I'm still bleeding, I'm still bleeding?  
I'm still bleeding, I'm still bleeding  
Bleeding, bleeding, bleeding, bleeding
