OOH Child

The Chilites

Ooh, brighterOoh child, things are gonna get easier
Ooh child, things will be brighter
Ooh child, things are gonna get easier
Ooh child, things will be brighterSome day
We'll put it together and we'll get it all done
Some day
When your head is much lighterSome day
Walk in the rays of a beautiful sun
Some day
When the world is much brighterOoh child, things are gonna be easier
Ooh child, things will be brighter and brighter
Ooh child, things are gonna be easier
Ooh child, things will be brighterSome day
We'll put it together and we'll get it all done
Some day
When your head is much lighterSome day
We'll walk in the rays of a beautiful sun
Some day
When the world is much brighterSome day
We'll put it together and we'll get it all done
Some day
When your head is much, much lighterSome day
We'll walk in the rays of a beautiful sun
Some day
When the world is much brighterOh, oh, some day
We'll walk in the rays of a beautiful sun
Some day
When your head is much lighterSome day
We'll put it together and we'll get it all done
Some day
When your head is much lighterOoh child, ooh child
Ooh child, things are gonna be brighter
Oh, right now, lets get it together
Get it together and we'll get it all doneRight now, right now
One day we'll get together if we wanna get together
Ooh child, ooh child, ooh child
Get it together and we'll get it all done
Right now, right now
One day we'll get together if we wanna get togetherOoh child, ooh child

Right now, right now
One day we'll get together if we wanna get together
Right now, right now
Right now, lets get it together
