

It's You

Kansas

Give me your answer let me know today
Searchin' in wonder you're makin' me pay
I need you 'cause my life's gettin' gray
Oh oh, it's you, oh oh, I'm blue You left a message to say you had fled
Couldn't believe that you wrote what I read
I can't count all the times I have said
Oh oh, it's you, oh oh, I'm blue Love make my day
Show me the way
Love make my day
Show me the way Give me your answer let me know today
Searchin' in wonder you're makin' me pay
I need you 'cause my life's getting gray
Oh oh, it's you, oh oh, I'm blue
