Time After Time

Changing Faces

Lyin' in my bed I hear the clock tick
And think of you
Caught up in circles confusion
Is nothing new
Flashback warm nights
Almost left behind
Suitcase of memories
Time afterSometimes you picture me
I'm walking too far ahead
You're calling to me I can't hear
What you've said
Then you say go slow
I fall behind
The second hand unwindsIf you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after timeIf you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after timeAfter my picture fades and darkness
Has turned to gray
Watching through windows
You're wondering if I'm okay
Secrets stolen from deep inside
The drum beats out of timeIf you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after timeYou said go slow
I fall behind
The second hand unwindsIf you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after timeIf you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after timeTime after time
Time after time
Time after time
