

# Please Come Home For Christmas (Acoustic)

## Cody Simpson

Bells will be ringing the glad glad news  
Oh what a Christmas to have the blues  
My baby's gone, I have no friend  
To wish me greeting, oh once again

Choirs will be singing, oh "Silent Night"  
Christmas Carol by candle light  
Please come home for Christmas  
Please come home for Christmas

And if not for Christmas, by New Year's Night  
Friends and relations, send salutation  
Sure, as the star shine above

But this is Christmas, yeah Christmas my dear  
The time of the year to be with the one you love  
Oh won't you tell me yeah you'll never roam  
Christmas and New Year (Christmas and New Year)

Will find you at home

There'll be no sorrow, no grief or pain

I'll be happy (happy) that it's Christmas once again
