Kill The Day (Ben Wise Club Mix)

Filter

A night turns to daylight
Daylight brakes you
You feel lost and lonely
Your thoughts betrayed youIt isn't the first time
It won't be the last
This crushed up feeling
Has a place on my crimeClose your eyes
The curtains that you like
Push them away, it's ok
Kill the dayAnd day turns to nighttime
And the nighttime makes you
You use a playwright pony
Your thoughts remake youIt isn't the first time
It won't be the last
This crushed up feeling
Has a place on my crimeClose your eyes
The curtains that you like
Push them away, it's ok
Kill the dayClose your eyes
The curtains that you like
Push them away, it's ok
Kill the dayHates you
Brakes you
Hates you
Brakes youClose your eyes
The curtains that you like
Push them away, it's ok
Kill the dayClose your eyes
The curtains that you like
Push them away, it's ok
Kill the dayClose your eyes
The curtains that you like
Push them away, it's ok
Kill the day
