

# Same Ol' G (feat. Timbaland)

## Ginuwine

The only time I drink a 40 is when I want to drink a 40  
And usually when I wear a suit  
I leave with not one but two  
I'm not trying to hurt nobody  
You only live once they told me  
You can't be mad at me, I can just be G  
Even though I got my own CD maybe even on t.v.  
There ain't no changing me I can only be me me me  
Even though I might be on t.v. 'cause I got my own CD  
All you will ever see (that) same ol' GI used to be the main one clubbing  
But now I choose to stay at home  
Most of my friends still thugging  
This time the Gs full grown  
I'm thinking 'bout my future lately  
Whatever that may be  
But now it's clear to me  
I can just be G  
Even though I got my own CD maybe even on t.v.  
There ain't no changing me I can only be me me me  
Even though I might be on t.v. 'cause I got my own CD  
All you will ever see (that) same ol' GH  
Hello y'all, yeah this that Timbaland coming to ya one mo 'gain  
You see, people say that we're changing  
But really it's the people around us that are changing  
You see, we ain't tryin' to hurt nobody  
People tryin' to hurt us  
But you know what  
I'ma keep being me  
That's all I can do in this life time (check it)  
Day after day, I continue to be  
Me oh me, That's all I can be  
Oh day after day, I continue to be me oh me (that) same ol' G  
Even though I got my own CD maybe even on t.v.  
There ain't no changing me I can only be me me me  
Even though I might be on t.v. 'cause I got my own CD  
All you will ever see (that) same ol' G  
Even though I got my own CD maybe even on t.v.  
There ain't no changing me I can only be me me me  
Even though I might be on t.v. 'cause I got my own CD  
All you will ever see (that) same ol' G  
Same ol' G, same ol' G, even though I got my own CD maybe even on
