Nothing To Show For

Nathaniel Rateliff

One single out of ten
Seen better odds in them
But it's not that badWell me
I was digging with my crutch
I stand in my own rut
That I wrote downWhile you
Don't listen you just stare
Its not pealing it's a tear
And it's distance and it's where
It's gettin under my skinBut a wave
Could carry you away
Or leave you somewhere else
Or leave you in the flames
So let the dirges ring
I'll be there to burn with youWe're all broke down
We're all well hid
We're all just kids
Despite our ageLook
You see this broken hand
Oh it's just another limb
Well not to meAnd you
Don't listen you just talk
Well leave me in the dark
I don't wanna knowNow a wave
Could carry you away
Or leave you somewhere else
Or leave you in the flames
So let the dirges ring
I'll be there to burn with youThey don't call my name anymore
They don't wrap themselves in a song in the night
They don't call us all that we are
After all, we got nothing to show for (x3)
