

# Rocks

## Frederik Olufsen

Strokes of dark, a brush of light  
I watch you bring your canvas into light  
Oh, I know that's how you see the world  
I know that you see anything you like  
But now I'm doubting me  
I know I shouldn't be  
But I've been down, I've been down  
'Cause it was love, wasn't it?  
Well, it's killing me not having it  
It's hard to not remember, forget it's not the same  
When still you come and tell me  
"Sorry, I came without an invitation  
Just wanted to be loved", now you know  
The last perfect thing  
You know that you bring me back to life  
On and on and on and on  
I think about you all day long  
I need you to be stronger  
'Cause now I'm doubting me  
I know I shouldn't be

But I've been down, I've been down  
'Cause it was love, wasn't it?  
Well, it's killing me not having it  
It's hard to not remember, yeah, it's not the same  
When still you come and tell me  
"Baby, I came without an invitation  
Just wanted to be loved"  
Yeah, yeah, yeah, I hear the sound  
And I know that you'll be coming 'round  
You know, I'll wait for you  
Oh, love, it's killing me not having it  
I need you to be stronger  
Don't wanna hear the sound  
'Cause rocks upon my window  
Mean that you're coming 'round  
And how could I resist?  
When I think you're still in love  
How can I move on?

When I wanna be in love with you, oh, with you
