Love Forever

Ashish Gaba

"love forever"
I today wanna tell you
That you've stole my heart
I cant live without you
Coz i was made only for youI wanna love you forever
Thats only my desire
I just wanna love you forever
I will never forget you
I will love you foreverYou are much too far away from me
But yet so close to my heart
My only wish is that,
I will one day be yours.I wanna love you forever
Thats only my desire
I just wanna love you forever
I will never forget you
I will love you foreverI don't think you know
That there somebody out here who loves u
But he's too far away
Fight for love is not easy but know this, my love will never end.I wanna love you forever
Thats my only desire
I just wanna love you forever
I will never forget you
I will love you foreverI feel lonely without you
Sometimes, i wonder if
You and I were made for each other.
I must have done good deeds in my past life
That i got you in this one.I wanna love you forever
I will never forget you and I will love you forever.
I wanna loving you forever
Thats only my desire
I just wanna loving you forever
I will never forget you
I will loving you forever
I will love you all my life.
