

# Master of Puppets

## Van Canto

End of passion play, crumbling away  
I'm your source of self-destruction  
Veins that pump with fear, it's sucking darkest clear  
Leading on your deaths' construction Taste me, you will see  
More is all you need  
Dedicated to  
How I'm killing you Come crawling faster  
Obey your master  
Your life burns faster  
Obey your master, master Master of puppets, I'm pulling your strings  
Twisting your mind, and smashing your dreams  
Blinded by me, you can't see a thing  
Just call my name, cause I'll hear you scream  
Master, master  
Just call my name, cause I'll hear you scream  
Master, master Needlework the way, never you betray  
Life of death becoming clearer  
Pain monopoly, ritual misery  
Chop your breakfast on a mirror Taste me, you will see  
More, that's all you need  
Dedicated to  
How I'm killing you Come crawling faster  
Obey your master  
Your life burns faster  
Obey your master, master Master of puppets, I'm pulling your strings  
Twisting your mind, and smashing your dreams  
Blinded by me, you can't see a thing  
Just call my name, cause I'll hear you scream  
Master, master  
Just call my name, cause I'll hear you scream  
Master, master, master Master, master  
Where's those dreams that I've been after?  
Master, master  
Promised only lies Laughter, laughter  
All I hear or see is laughter  
Laughter, laughter  
Laughing at my cries, fix me Hell is worth all that, natural habitat  
Just a rhyme without a reason  
Never ending maze, drift on numbered days

Now your life is out of season I will occupy  
I will help you die  
I will run through you  
Now I rule you too Come crawling faster  
Obey your master  
Your life burns faster  
Obey your master, master Master of puppets, I'm pulling your strings  
Twisting your mind, and smashing your dreams  
Blinded by me, you can't see a thing  
Just call my name, cause I'll hear you scream  
Master, master  
Just call my name, cause I'll hear you scream  
Master, master [laughter]
