California Girls

The Beach Boys

Well East coast girls are hip
I really dig those styles they wear
And the Southern girls with the way they talk
They knock me out when I'm down there

The Mid-West farmer's daughters really make you feel alright
And the Northern girls with the way they kiss
They keep their boyfriends warm at night

I wish they all could be California
I wish they all could be California
I wish they all could be California girls

The West coast has the sunshine
And the girls all get so tanned
I dig a french bikini on Hawaii island
Dolls by a palm tree in the sand

I been all around this great big world
And I seen all kinds of girls
Yeah, but I couldn't wait to get back in the states
Back to the cutest girls in the world

I wish they all could be California
I wish they all could be California
I wish they all could be California girls

I wish they all could be California
(Girls, girls, girls yeah I dig the)
I wish they all could be California
(Girls, girls, girls yeah I dig the)
I wish they all could be California
(Girls, girls, girls yeah I dig the)
I wish they all could be California
(Girls, girls, girls yeah I dig the)
