Blue Mirror

together PANGEA

I wanna believe in all of the things you're singing
but I've heard it all and you've faked it
not understanding all of the things you're feeling
but you bought this and you're drinking.Walk on now and leave it, it's all ok you've seen it you planned it all, goddamnit.Walk on now and leave it, it's all ok you've seen it you planned it all, goddamnit.I wanna lift the eyes
I wanna take my time
I wanna lift the eyes
I wanna live my lifeLive my life x3I wanna believe in all of the things you're singing
but I've heard it all and you've faked it
you've lost it, what it is, lost what you need to do this
why stick around you can't stand itWalk on now and leave it, it's all ok you've seen it you planned it all, goddamnit.Walk on now and leave it, it's all ok you've seen it you planned it all, goddamnit.I wanna lift the eyes
I wanna take my time
I wanna lift the eyes
I wanna live my lifeLive my life x3
