In Your Heart

Jessica Sutta

I wanna feel that song
Dancing on the floor only inside of you
I wanna hear that word
That makes me wanna do all kind of things with you
I wanna feel the groove
Dancing in the air and flying just with you
I wanna see that move
That makes me wanna do all kind of things with youFor love make the changes
For love find the places
For love turn off the dark
For love find the sunriseFor love make the changes
For love find the places
For love turn off the dark
For love find the sunrise in your heart...Gonna sunrise
Gonna sunrise
Gonna sunrise in your heartI wanna feel that song
Dancing on the floor only inside of you
I wanna hear that word
That makes me wanna do all kind of things with you
I wanna feel the groove
Dancing in the air and flying just with you
I wanna see that move
That makes me wanna do all kind of things with youFor love make the changes
For love find the places
For love turn off the dark
For love find the sunriseFor love make the changes
For love find the places
For love turn off the dark
For love find the sunrise
