Wisdom?

No Fun At All

Another day is here to knock me down
Another day I start it with a frown
But I pull myself togetherI've got to find out what I'm supposed to do
But I don't really have a clue
Got a very narrow viewA search for wisdom, it's not so easy to find
A search for wisdom, never seem to end
A search for wisdom, It's not so easy to find
A search for wisdom, never seem to end
And I'm getting tiredThis is the way I'm bound to spend my days
Trying to find a way out of this maze
I've been running here forever
