

White Lightning

dumblonde

You are in the rain
I live in your veins
Thunder and the hail
Before the city fades
You are, you are, you are, you are Raining in the sky
Ruler of the light
Immortality
We will never die
You are, you are, you are Oohahhh
You're white lightning
So enlightening Oohahhh
You're white lightning
So enlightening So in Luh-uh-uh-uh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh You're white lightning So in Luh-uh-uh-uh, uh uh uh
So in Luh-luh-luh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh You're white lightning
You and me, ultra fly
King and queen, glorify
I can't breathe, air supply
Light me up, electrify
You are, you are, you are
Rise again, falling stars
Fix your heart, many skies
Dream of love, excellent
Ever last, infinite You are, you are, you are
Oohahhh
You're white lightning
So enlightening
Oohahhh
You're white lightning
So enlightening So in Luh-uh-uh-uh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh You're white lightning So in Luh-uh-uh-uh, uh uh uh
So in Luh-luh-luh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh You're white lightning Luh-uh-uh-uh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh
So in Luh-uh-uh-uh, uh uh uh So enlightening So in Luh-uh-uh-uh, uh uh uh
So in Luh-luh-luh, uh uh uh
