Everything Taboo

Taboo OBC

LEIGH AND FULL COMPANYFREAKS
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything tabooLEIGH
Welcome to the world of Taboo...
the club that everybody wants to be a part of...
Come in... and come out... now
You got it wrong, you got it right
You got a lot to learn
Oh you're so nervous and so uptight
I think I like it
Ooh, I think I love it...ENSEMBLE
Dancing freaks and sycophants
Westwood heels and shoulder pads
Strike a pose and get it right
You'll be queen tonight
Tonight
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything tabooLEIGH
You got it wrong, you got it right
You got a lot to learn
Oh you're so nervous and so uptight
I think I like it
Ooh, I think I love it...ENSEMBLE
Dancing freaks and sycophants
Westwood heels and shoulder pads
Strike a pose and get it rightYou'll be queen tonight
Tonight, tonight...

Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Everything, everything Taboo...LEIGH AND ENSEMBLE
Two fierce drag queens go round the outside
Round the outside, round the outside
Two fierce drag queens go round the outside
And in stilettos.
Two fierce drag queens go round the outside
Round the outside, round the outside
Two fierce drag queens go round the outside
And in stilettos.
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
