

My Life

Best Coast

When I go on airplanes, I listen to your voice
And when I go to sleep at night, I'm wishing for a choice
To go back in time
Makes what's wrong feel right
To go back in time
Makes what's wrong feel right, feel right

All the things I'm taking are making me feel insane
And when I go to sleep at night, I'm wishing for a change.
To go back in time
Makes what's wrong feel right
To go back in time
Makes what's wrong feel right, feel right

My mom was right
I don't want to die
I want to live my life
My mom was right
I don't want to die
I want to live my life
My life, my life, my life, my life
My life, my life, my life, my life, my life.
