

Find Me A Preacher

[Trace Adkins](#)

Look at you sittin' on that tailgate
All barefoot, beautiful and brown eyed
Just watching you breathing's blowin' me away
All I can think about tonight Somebody find me a preacher
Somebody find me a man with a Bible who can tie a knot
I know what I got, I know who I love
Track him down, wake him up
Right here right now in this Tennessee dirt
No long white dress, no little white church
Just you in your cutoff jeans and my old t-shirt
Somebody find me a preacher Baby I can't wait another minute
With you on my lap and your back against the wheel
I ain't got no diamond here to give you
But if this is how loving you feels Somebody find me a preacher
Somebody find me a man with a Bible who can tie a knot
I know what I got, I know who I love
Track him down, wake him up
Right here right now in this Tennessee dirt
No long white dress, no little white church
Just you in your cutoff jeans and my old t-shirt
Somebody find me a preacher 'Cause I want to spend the rest of my life
Making you feel the way I feel tonight Somebody find, somebody find me a preacher
Somebody find me a man with a Bible who can tie a knot
I know what I got, I know who I love
Track him down, wake him up
Right here right now in this Tennessee dirt
No long white dress, no little white church
Just you in your cutoff jeans and my old t-shirt
Somebody find me a preacher Find me a preacher tonight
Find me a preacher
