Orphan

Empires

I hear you calling by the wayside
Sitting inside the cold night
I think if I go farther
If I chase the greed
I can feel your poision clenching in my veins
Don't, don't, don't call me baby
Can you take your haunting
away, away?
Take my heartbeat away
I think I'm pursued in a landslide
Maybe abducted by the daylight
Don't know where I'm headed
Think I went to far
To the heart I treasured
Show me where you are
Hold, hold, hold it to me baby
Can you take your haunting away?
Oh, take my heartbeat away
Can you take your haunting away?
Oh, take my heartbeat away
Take your haunting away
Take, take my heatbeat
Take my heartbeat away
Can you take your haunting away?
Take my heartbeat away
Oh can you, take your haunting away?
Take my heartbeat away
Ohhhhhhh
Take my heartbeat my beat away
