## Afroman

I'm gonna fuck me  
A girl from Kentucky  
Right before I come  
I'mma make her sucky-sucky  
Pull out my baseball bat  
Beat up her wildcat  
Get my bone licked after dark  
In Big Bone Lick Park

Got a new job in Lexington  
Had sex with her mouth and tongue  
Pick me still Lexington, still Louisville  
Sip that dank, smoke that herbie  
Ride that ass like the Kentucky Derby  
All the way to Frankfort  
Smoke some dank and I gots to skirt

Got like a quadruple of G from Cali  
Staying away from PeeWee Valley  
Bet I am in the city of Beaver Dam  
Daaaaaaaaaamn  
Gladys from Glasgow  
likes it in the asshole  
Miss Owens from Owensboro  
sucked me thorough, then she had to earl

I'm gonna fuck me  
A girl from Kentucky  
Right before I come  
I'mma make her sucky-sucky  
Pull out my baseball bat  
Beat up her wildcat  
Get my bone licked after dark  
In Big Bone Lick Park

Rich old lady from Wilmore  
put me in her will if I'd fuck her more  
Met this girl from Pikeville  
she was a dyke but I fucked her still  
I know a girl in Livermore

I put it by her liver and she quiver more  
came in her mouth in Mount Sterling  
she started coughing, she started earling  
Fucked this girl from Mount Vernon  
took a piss and my dick was burning  
went to the doctor, spent some pape  
condoms, super glue, duct tape  
Fucked all the girls in Danville  
Now it's Afroman-ville  
Came in her mouth in Paducah  
She spit it out like Pa-choo-Ka!  
London panties falling down even in Elizabethtown  
London panties falling down, fine ass lady

I'm gonna fuck me  
A girl from Kentucky  
Right before I come  
I'mma make her sucky-sucky  
Pull out my baseball bat  
Beat up her wildcat  
Get my bone licked after dark  
In Big Bone Lick Park

I met this girl from Radcliffe  
stuck my finger up her ass then I made her sniff  
Met a cowgirl from Horse Cave  
Rode my horse all in her cave  
Dirt-diggler, booty-jiggler, titty-wiggler  
called me the giggler,  
giggling while I was stabbing  
Doggy-style pussy jabbing  
I got barred from Bardstown  
my dick got hard and I fucked all the broads around  
Albany - she fucked all my homeboys but me!  
Met this girl from Pine Grove  
stuck my dick in her ass then I drove  
all the way to Bowling Green  
her colon kinda swollen if you know what I mean

I'm gonna fuck me  
A girl from Kentucky  
Right before I come  
I'mma make her sucky-sucky  
Pull out my baseball bat  
Beat up her wildcat

Get my bone licked after dark  
In Big Bone Lick Park
