No Pity

999

NO PITY
Not much time to stay alive
Try the hard way take a dive
Got a new one call it sue
Wont be long now coming through
Have your own way I don? t care
This is my way? solitaire?
In the event of going insane
Whatever I loose will be my gain
We? re gonna make you fall
We? re gonna take it all cos we have no pityThake whats yours don? t wait for me
I belive its all for free
Thinking fast now make our move
It? s a hard thing to improve
Show me your integrity
You? re no better than me
Give me all that you possesses
It? s my answer to success
Don? t ask me to remain aloof
Seek yourself or tell the thruth
Got no shame that? s how I feel
Don? t you ask me to conceal
Show you my anatomy
Be a real good thing for me
Had to happen to collide
All because you really tried
