

Already Getting Better

William Murphy

Its Already getting better,
Its already getting easier
Gods already moving on your behalfIts Already getting better,
Its already getting easier
Gods already moving on my behalfIts Already getting better,
Its already getting easier
Gods already moving on my behalfIts Already getting better,
Its already getting easier
Gods already moving on my behalfHe did it for me
He did it for me
He did it for me
God did it, He did it,
YES God it! (X4)Its Already getting better,
Its already getting easier
Gods already moving on your behalf
HE DID IT FOR MEEEEEEEEEEEE!
