

# Say It Loud

## Skillet

Can't help but speak of what I've seen and heard  
I understand just what the purpose is  
Uncover peace, uncover hope for all to see  
And I can't keep quiet, gotta shout it out to you Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out Say it loud, say it loud  
Say it loud, say it loud Come right away to find the joy I've found  
Don't hesitate to give up everything  
Discover peace, discover hope, meaning of life  
I've got to say it, gotta shout it out to you Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out Can't keep it, keep it all to myself  
Can't hold it, can't hold it down  
Can't shut it, can't shut it out  
Can't keep me silent, yeah Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out Say it loud, say it loud, shout it out  
Say it loud, say it loud, shout it out  
Say it loud, say it loud, shout it out  
Say it loud, say it loud, shout it out
