Friend Of Mine

Eve 6

Are you feeling that you're on the brink
Of spilling some red in the sink?
It wasn't the easiest year
No I don't want you to go
Are the memories too hard to take
Rape is a word with a face
No I don't want you to go
You know I don't want you to go
Friend of mine stay alive don't you leave me here
All alone in a world with a chronic tear
I will always be here, I will always be here
I will always be here for you
We walked the promenade in the rain
With Velcro shoes and an ice cream stain
You're the only one who understands
Remember that Blake said to make sure you wake
And help save your generation
No I don't want you to go
You know we don?t want you to go
Friend of mine stay alive don't you leave me here
All alone in a world with a chronic tear
I will always be here, I will always be here
I will always be here for you
Break
Don?t look back the past is just that
We are, we are, we are, we are awake
Friend of mine stay alive don't you leave me
Friend of mine stay alive don't you leave me
I will always be here, I will always be here
Friend of mine stay alive don't you leave me here
All alone in a world with a chronic tear
I will always be here, I will always be here
I will always be here for you
