(Know these things)

Bitches fallin' in love, we show them things

'Cause

'Cause we are, so extreme

(So extreme)

Take her out wit the money I got from Azcap

Just investin' in my future but she'll pay it back

Just a lil' restatution from bein' wit a mack

Just a lil' contribution for knowin' she a fact

Without a doubt, you know we goin' outta town

She bringin' it back for daddy, she goin' on her rounds

Wouldn't it be kinda funny to see it goin' down?

That's why we brag and boast, shit we showin' out

That's why we ask y'all hoes what we know about

The King named Jacob, you sleepin' please wake up

I'm the type of nigga that know them hoes

Show them hoes, mould them hoes

Told them hoes, so long ago
That the game was sweet now they wanna know
'Cause we are, so extreme
(So extreme)

(Know these things)
Bitches fallin' in love, we show them things
'Cause

'Cause we are, so extreme
(So extreme)
So advanced
(So advanced)
Sho is clean

Now let me see you shake a tail feather

Put it high in the sky, so I could tell whether
