

# Today's The Day

## America

Hold me close  
You turn nighttime into day  
And you're the most  
Brightest star that lights my way  
So come home to me now  
'Cause it won't matter anyhow  
I've got this feeling that today's the day  
I've got this feeling today's the day  
Turn me out  
Turn me out on this fine day  
'Cause all about  
All the people like to play  
So come home to me now  
'Cause it won't matter anyhow  
I've got this feeling that today's the day  
I've got this feeling today's the day  
I've got this feeling that today's the day  
I've got this feeling today's the day  
Hold me close  
You turn nighttime into day  
And you're the most  
Brightest star that lights my way  
So come home to me now  
'Cause it won't matter anyhow  
I've got this feeling that today's the day  
I've got this feeling today's the day  
I've got this feeling that today's the day  
I've got this feeling today's the day  
I've got this feeling today's the day  
I've got this feeling today's the day  
I've got this feeling today's the day
