Only Love

Wynonna Judd

I have sailed a boat or two, out on the wild blue
Yonder to dreams rarely come true
As far as I can see from the island of green
I can put my trust in just one thingOnly love sails straight from the harbor
And only love will lead us to the other shore
And out of all the flags I've flown
One flies high and stands alone
Only lovePeaceful waters, raging sea, it's all the same to me
I can close my eyes and still be free
When the waves come crashing down and the thunder rolls around
I can feel my feet on solid groundOnly love sails straight from the harbor
And only love will lead us to the other shore
And out of all the flags I've flown
One flies high and stands alone
Only loveOnly love sails straight from the harbor
And only love will lead us to the other shore
And out of all the flags I've flown
One flies high and stands alone
Only love, only love, only love
