

# A Hero Comes Home (End Credits Version)

[Idina Menzel](#)

Out of the midst of history  
He'll come again  
Sailing on ships across the sea  
To a wounded nation Signs of a savior  
Like fire on the water  
It's what we've prayed for  
One of our own Just wait, though wide he may roam  
Always, a hero comes home  
He goes where no one has gone  
But always a hero comes home Deep in the heart of darkness  
Sparks a dream of light  
Surrounded by hopelessness  
He finds the will to fight  
There's no surrender, always remember  
It doesn't end here, we're not alone Just wait, though wide he may roam  
Always, a hero comes home  
He goes where no one has gone  
But always a hero comes home And he will come back  
On a crimson tide, dead or alive  
And even though we know the bridge has burned  
He will return, he will return Just wait, though wide he may roam  
Always, a hero comes home  
He knows of places unknown  
But always a hero comes home Some day he may be carved in stone  
The hero comes home  
He goes and comes back alone  
But always, a hero comes home Just wait though wide he may roam  
Always, a hero comes home
