Run To Me

Clay Aiken

Don't, you don't have to save my life
No, you're not ready I can feel it
Outside it's raining but I'll just go home
Someday your heart will just let him goAs soon as you get that feeling, you can start to live again
As soon as the worst is over, you can make it all make sense
Right now I can't give you what you need
As soon as you get that feeling run to meHush, you don't have to say a word
Trust, I'm not gonna hate you for it
Feels like my touch only brings back the pain
Someday those memories will fade awayAs soon as you get that feeling, you can start to live again
As soon as the worst is over, you can make it all make sense
Right now I can't give you what you need
As soon as you get that feeling run to meHow can I be brave enough to say goodbye?
I die inside without you
Don't you see it's hard enough to walk away?
Don't look at me, you make me wrong
I've been through this to make me strongAs soon as you get that feeling, you can start to live again
As soon as the worst is over, you can make it all make sense
Right now I can't give you what you need
As soon as you get that feeling
As soon as you get that feeling run to me
