Champion

SoMo

I live in a world where we compete
For things we need in our lives
I've got the heart of a champion, but with you I'm more
I've tried to repress my desires
Baby, you got me on fireThe pedestal, please
Can I get you off of that, get you off of that?
Girl, just call me back soon
I work for that body, boo(DJ!)
I'll be next to you, sitting in the treetops
Staring at the moon, ballin' 'cause we rock
Baby girl, I'm glad to show you
Now they know
I'm a champion
I'm a championI've been practicing around the world
Taking my chances on the baddest girls
Gotta stack my tickets up so I cash 'em in for ya
Roll my body like an Oscar
Girl, you're acting up, acting upThe pedestal, please
Can I get you off of that, get you off of that?
Girl, just call me back soon
I work for that body, boo(DJ!)
I'll be next to you, sitting in the treetops
Staring at the moon, ballin' 'cause we rock
Baby girl, I'm glad to show you
Now they know
I'm a champion
I'm a championCan I pick it up? Can I claim this award?
Why is this trophy by itself?
DJ, pick it up, I'ma win it off the shelf
Can't give it up to nobody else(DJ!)
I'll be next to you, sitting in the treetops
Staring at the moon, ballin' 'cause we rock
Baby girl, I'm glad to show you
Now they know
I'm a champion
I'm a champion
I'll be next to you, sitting in the treetops
Staring at the moon, ballin' 'cause we rock
Baby girl, I'm glad to show you

Now they know
I'm a champion
I'm a champion
