

Us Against the World (feat. Katelyn Tarver)

[Mitchel Musso](#)

Do you ever feel like me?
(like me)
Yeah the walls are closing in
Between, just breathe
(Just breathe) (With me)
I wait every single moment of every day just to see your face
Why can't they let us beeeeeeeee?
Yeahhhhhhhhhhh!Oh-oh oh ohh-oh oh ohhhh
It's us against the world
Oh-oh oh ohh-oh oh ohhhh
It's us against the world
I'm never letting go
Come on lets run away
Just take me by the hand
We will make it
Oh-oh oh ohh-oh oh ohhhh
It's us against the worldAsk me once and I'll leave
Everything for you
Just say the word, you'll see
(You'll see with me)
I wait every single moment of everyday just to see your face
Why can't they let us beeeeeeeee?
Yeahhhhhhhhhhh!!!Repeat chorusYeah we're racing (2x)
Far away from here
Yeah we'll make it (2x)
We'll get there
Yeah we're racing (racing, racing)
Far away from here
Yeah we'll make it
We'll make it and we'll get thereRepeat chorusFADE
Oh-oh oh ohh-oh oh ohhhh
It's us against the world
Oh-oh oh ohh-oh oh ohhhh
It's us against the world
