

Addicted To Songz

Trey Songz

I got her addicted (S-O-N-G-Z)
I got her addicted (I go in deeply)
I got her addicted (I'm the MVP)
Addicted to what the dick did
Game time
It started wita model and a bottle full of Vodka
(Ayyyy)
Sophisticated woman && she say that she a doctor
(Oh)
I gotta pretty woman, sexy on her own and, later on she text me on her phone said, ?I know you young, but
come show me ya grown hat?
Sex in the city (Sex in the city)
Started off with a kiss (It did)
Next thing was her leg (It did)
Next thing was some motion, in her ocean, I kept coastin
Now she?
I am addicted to Songz (Songz!)
I am addicted to Songz (Yup!)
I am addicted to Songz
My addiction
(Trey: I make your girl say)
I am addicted to Songz (Songz!)
I am addicted to Songz (Yup!)
I am addicted to Songz
My addiction
I guess it's that good to her
Check
When I look into the mirror (Whatchu see?)
A G is all I see (Me too, come on)

And it could never be more clearer (Whatchu mean?)
Cuz she's addicted to the love I give (Yup! Yup!)
She so stuck on it
Night to the morning, dusk to dawn, in the afternoon, and after the moon is gone, and the sun come back
around, and the lights goin down cuz it's night time now, and we still getting down
She don't feel pain no more, so she still sittin down, still spinnin' round
If she were a pool I would drown
Shit, I'm a fool, I'm a clown
Started off with a kiss (It did)

Next thing was her leg (It did)
Next thing was some motion, in her ocean, I kept coastin
Now she?
I am addicted to Songz (Songz!)
I am addicted to Songz (Yup!)
I am addicted to Songz
My addiction
(Trey: I make your girl say)
I am addicted to Songz (Songz!)
I am addicted to Songz (Yup!)
I am addicted to Songz
My addiction
She`s beginning to go insane from the needle in her vein
Needle in her vein called the, Neverson, Tremaine
Addicted to the verses her dispersin like cocaine
He dope, but he so vain
Cook coke in flames
Bag it, once I have it, in the plastic, I deliver that, give it to the internet
Then they start developin a twitch for the shit that I spit through the fix
And if you hatin eat a glass dick trick
Girl you know I got that good shit
