Edge Of A Broken Heart

Bon Jovi

And there I stood just like a soldier
I was tough until I saw her
I said, Hello, but she just turned awayHey Romeo, watcha doin' man with my girl?
Who are you using now? Well I turn and walk away
(Turn and walk away)I'm gonna please her, now you can believe it
I'll be there to catch her when she fallsOoh, here I am
(On the edge of a broken heart)
I'm a man
(On the edge of a broken heart)
Here we stand
(On the edge of a broken heart)So run if you can 'cause you know
I'm a man on the edge
(On the edge of a broken heart)
I'm on the edge
(On the edge of a broken heart)I'm on the outside, looking inside
You're with him, who's on the wrong side now
Do you still think of me?I've tried to call but no one answers
Two silhouettes, a private dancer
Lights go dim as the music starts to fade away
(Turn and walk away)I'm the one who needs you, now you can believe it
I'll be there to catch you when you fallOoh, you better believe I'm a man
(On the edge of a broken heart)
Here I am
(On the edge of a broken heart)
And we stand
(On the edge of a broken heart)So run if you can 'cause you know
I'm a man on the edge
(On the edge of a broken heart)
I'm on the edge
(On the edge of a broken heart)OhhAnd when I hold out my hands
I'll be reaching for you
I'll give it all I've got, that's all I can do
When you're waiting for loveI'll be waiting for you
(On the edge of a broken heart)
Only for you
(On the edge of a broken heart)Oh baby for you
(On the edge of a broken heart)
So run if you can, you know
I'm a man on the edge

(On the edge of a broken heart)I'm on the edge
(On the edge of a broken heart)
I'm on the edge
(On the edge of a broken heart)
I'm on the edge
(On the edge of a broken, broken, broken, broken
Broken, broken, broken, broken)
