

Baby's Coming Back (Dougie Poynter)

McFly

I knew that when I saw her
That my life would soon move over from the fast lane
Gone would be the days of all my drinking and my carrying on
But when I settled down
The party king uncrowned
This stubborn memory hadn't faded
Too many dumb mistakes
And all the grief it makes
Left nothing else to be debated But if you say that you understand then you're lyin'
But if you figure that I'm alright now I can't deny it Baby's coming back
Baby's coming back
So I'm on my best behavior
I can't take it anymore
I just woke up on the floor today (Yeah, Yeah)
I've long run out of my last chances but she's on her way If I had a dollar for every single time I fought her
I'd buy a handgun (I'd buy a handgun)
But that couldn't shoot away
The bull's eye that she made on my heart But if I sound like a beaten man well then I guess so
And on her way is the sweetest prize and I can't let go Baby's coming back
Baby's coming back
So I'm on my best behavior
I can't take it anymore
I just woke up on the floor today (Yeah, Yeah)
I've long run out of my last chances but she's on her way What I told her on the telephone was that I'd been so
bad
I wouldn't blame her if she mowed down these wild oats I'd sown
But when she said she'd give me one more chance
I said knock three times
When you arrive Baby's coming back
Baby's coming back
So I'm on my best behavior
I can't take it anymore
I just woke up on the floor today (Yeah, Yeah) Baby's coming back my darling
Baby's coming back to see me
And I've long run out of my last chances but she's on her way
