How Do You Like Me Now

Ms. Triniti

Oh oh oh oh oh, oh oh oh oh oh X 2

Held it down for years, holding back my tears
My heart was just an untold story
You always made me feel, I had nothing to give
My mind was weak & I let you mould it
But finally I took a chance on me and played a card
Now baby baby please, listen carefully,
Thereâ€™s something that I need to tell you

Forget u right now, ha, yeah forget you right now
karma came back around, bit u right in your ass, Ha
Forget you right now, tried to bring my ship down
Karma came back around, Tell me How do you like me now
Howâ€™d u like me Now, Life is such a peach
(Life is so sweet, Living the dream, Wish u were me, I know)
Howâ€™d u like me Now, Turned out perfectly
(You canâ€™t touch me, now Iâ€™m so free, & Youâ€™re a tragedy)
Howâ€™d you like me Now?
Howâ€™d you like me know, me now, me now, me now, me now..

Tried so hard to be everything you need
Iâ€™d Hold back on me to please you
Just to make it fit, Iâ€™d give anything
Whatever you asked I would do
But nothing that I could do for you, would ever be enough
so baby baby please, listen carefully,
Thereâ€™s something that I need to tell you

Baby please listen carefully, thereâ€™s something that I need for you to know
I need to tell you, need to tell you

Oh oh oh oh oh, oh oh oh oh oh X 4
Howâ€™d u like me Now, Life is such a bitch
(Life is so sweet, Living the dream, Wish u were me, I know)
Howâ€™d u like me Now, Turned out perfectly
(You canâ€™t touch me, now Iâ€™m so free, & Youâ€™re a tragedy)
Howâ€™d you like me Now? Life is such a bitch
All of the years, you took from me, get what u deserve
Howâ€™d you like me know, Turned out perfectly

(You canâ€™t touch me, now Iâ€™m so free, & Youâ€™re a tragedy)
