

# Modern Man

## The Blakes

So I wait my turn, I'm a modern man  
And the people behind me they can't understand  
    Makes me feel like....  
    Makes me feel like....  
So I wait in line, I'm a modern man  
And the people behind me they can't understand  
    Makes me feel like....  
Something don't feel rightLike a record that's skipping, I'm a modern man  
    And the clock keeps ticking, I'm a modern man  
    Makes me feel like....  
    Makes me feel like....  
In my dream I was almost there then they pulled me aside and said you're going nowhere  
    They say we are the chosen few but we waste it  
    And that's why we're still waitingOn a number from the modern man  
    Maybe when you're older you will understand why you don't feel right  
        Why you can't sleep at night no  
        In line for a number but you don't understand like a modern man  
In line for a number but you don't understand like a modern manOh, I had a dream, I was dreaming and I feel  
    I'm losing the feeling  
    Makes me feel like....  
    Like something don't feel right  
    I erase the number of the modern man  
    Wanna break the mirror of the modern man  
        Makes me feel like....  
        Makes me feel like....  
In my dream I was almost there then they pulled me aside and said you're going nowhere  
    I know we are the chosen few but we waste it  
And that's why we're still waitingIn line for a number but you don't understand like a modern man  
    In line for a number but you don't understand like a modern man  
        If it's alright then how come you can't sleep at night  
In line for a number but you don't understand like a modern manI'm a modern man  
    I'm a modern man  
    I'm a modern man
