Everybody Wants Me

The Pigeon Detectives

I remember when we were young
Things were easy, we had such fun
And I know what we talked about
But let's hope that they don't find out

'Cause everybody wants me
Everybody wants me
Everybody wants me now

'Cause everybody wants me
Everybody wants me
Everybody wants me now

But I just want you
I just want you
I just want you
I just want you

Take your mind back to rainy days
We stayed inside and played those games
But you know what we talked about
'Cause you prayed they would not find out

'Cause everybody wants me
Everybody wants me
Everybody wants me now

'Cause everybody wants me
Everybody wants me
Everybody wants me now

But I just want you
I just want you
I just want you
I just want you

If you really cared for me
Then you would take me with you
If you really cared for me

Then you would take me with you

If you really cared for me
If you really cared for me

I remember when we were young
Things were easy, we had such fun
And I know what we talked about
Lets hope that they don't find out

Because everybody wants me
Everybody wants me
Everybody wants me now

'Cause everybody wants me
Everybody wants me
Everybody wants me now

But I just want you
I just want you
I just want you
I just want you
