

# Honey to the Bee

Billie

Mmm, mmm, mmm  
Come on buzz me up to heaven baby  
Mmm, mmm, mmm  
Come on buzz me up to heaven I've been missing you, I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee I close my eye and I see you clear  
It feels like you're lying here  
All things I want to say come and go  
Easy as the breeze the words just flow I float on air as light as any feather  
Your love so sweet like an open flower  
I'm dizzy from the time we spend together  
I need that honey drip every hour I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your fingertips  
Baby, don't stay away from me too long I've been missing you, I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee Mmm, mmm, mmm  
Come on buzz me up to heaven baby  
Mmm, mmm, mmm  
Come on buzz me up to heaven You make me smile though you're far away  
I hear your voice like it was yesterday  
All the things you do they make me feel so fine  
I gotta tell the world about a love that's mine These wings to fly are gonna last forever  
'Cos one by one my dreams come true  
And I touch the sky whenever we're together  
I can't believe the joy I get with you I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your fingertips  
Baby, don't stay away from me too long I've been missing you, I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny  
Honey to the bee that's you for me I've been missing you, I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny  
Honey to the bee that's you for me

Honey to the bee that's you for me  
Honey to the bee come on and buzz me Heaven, you're the only one that can get me there  
Heaven, when you gonna hear my prayer, yeah  
Heaven, you're the only one that can get me there  
Heaven, when you gonna hear my prayer, yeah I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
Got me dreaming of the candy in your fingertips  
Baby, don't stay away from me too long I've been missing you, I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny  
Honey to the bee that's you for me I've been missing you, I really should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny  
Honey to the bee that's you for me I've been missing you, I really should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie, got a love I can't deny  
Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee Honey to the bee that's you for me  
Honey to the bee that's you for me  
Yeah, you for me
