

# Gotta Be Somebody

## Nickelback

This time I wonder what it feels like  
To find the one in this life  
The one we all dream of  
But dreams just aren't enough So I'll be waiting for the real thing  
I'll know it by the feeling  
The moment when we're meeting  
Will play out like a scene straight off the silver screen So I'll be holdin' my own breath  
Right up to the end  
Until that moment when  
I find the one that I'll spend forever with 'Cause nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that 'Cause nobody wants to go it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there Tonight, out on the street out in the moonlight  
And dammit this feels too right  
It's just like deja vu  
Me standin' here with you So I'll be holdin' my own breath  
Could this be the end?  
Is it that moment when  
I find the one that I'll spend forever with? 'Cause nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that 'Cause nobody wants to go it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there Nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There has gotta be somebody for me, oh 'Cause nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that 'Cause nobody wants to go it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there
