

Come Clean

Mexicolas

Ten foot tall with no sense of rhythm
Conversations blurred my vision
Watch me act out your premonition
My wrong move is your demolition
I've got the dirty secret inside
I wish that it was easy to hide
I know a lie can always be seen
Maybe its time for me to come clean
Maybe its time for me to come clean
One distraction no excuses
Blah blah blah my apologies are useless
Tempting fruit just ripe for the pickin'
That girl there needs a damn good kickin'
Ten foot tall with no sense of rhythm
My wrong move is your demolition
I've got the dirty secret inside
I wish that it was easy to hide
I know a lie can always be seen
Maybe its time for me to come clean
What can I do what can I say
I know the truth will turn you away
I wish my face was easy to hide
Now that is time for you to decide
Demolition
I know a lie can always be seen
So maybe its time for me to come clean
