

Blood, Milk and Sky (Miss September mix)

White Zombie

The siren sings a lonely song
Of all the wants and hungers
The lust of love, a brute desire
The ledge of life goes under

Divide the dream into the flesh
Kaleidoscope and candle eyes
Empty winds scrape on the soul
But never stop to realize

Animal whisperings intoxicate the night
Hypnotize the desperate, slow motion light
Wash away into the rain, blood, milk and sky
Hollow moons illuminate and beauty never dies

Running wild, running blind
I breathe the body deep
1,000 years beside myself
I do not sleep

Seduce the world it never screams
Dead water lies
Ride the only one who knows
Beauty never dies
