

This Hammer Breaks

Colleen

This hammer breaks illusions

This hammer breaks

This hammer breaks illusions

This hammer breaks

This dark light (This hammer breaks)

Makes me feel so alive (Illusions)

This dark light (This hammer breaks) (This hammer breaks)

Makes me feel so alive (Illusions) (Illusions)

This dark light (This hammer breaks) (This hammer breaks)

Makes me feel so alive (Illusions) (Illusions)

You never know what's in a heart

This dark light (This hammer breaks) (This hammer breaks)

Makes me feel so alive (Illusions) (Illusions)

This dark light (This hammer breaks) (This hammer breaks)

Makes me feel so alive (Illusions) (Illusions)
