You are the lifter of my soul,  
My joy in the Holy Ghost,  
No other refuge that I know,  
You are the lifter of my soul.

Troubles may come to get me down,  
When I need them the most, friends can't be found,  
No one but you, Lord, can understand,  
My only hope is in your hands.

You've are the light in darkness of night,  
You speak to my heart, peace is mine,
