

A Thousand Times a Day

George Jones

I gave up cigarettes, haven't had to light one yet
It's been a year since I stopped
Same goes for alcohol, I don't touch the stuff at all
I used to drink till I droppedBut those were tough, this is easy and it feels so good to say
Forgetting you is not that hard to do
For I've done it a thousand times a day
I've done it a thousand times a dayFriends said it would take some time to get you off my mind
Some said I'd never let you go
But, I guess I've proved them wrong
One more bad habit gone, just like the whiskey and the smokes
But those were tough this is easy and I'm all right I'm okay, forgettingBut those were tough, this is easy and it
feels so good to say
Forgetting you is not that hard to do
For I've done it a thousand times a day
I've done it a thousand times a dayI've given you up for good, just like I said I would
Oh the night you walked away but that was tough this is easyBut those were tough, this is easy and it feels so
good to say
Forgetting you is not that hard to do
For I've done it a thousand times a day
I've done it a thousand times a day
